LUBRICANT APPROVAL for the use in RUSSIA and UKRAINE on PALFINGER Products

Based on the product data you sent to us per eMail dated on July 29th 2020 and the fact that your products meet the specification of DIN 51524 and its referring parts PALFINGER AG approves, that the following hydraulic liquids comply with the requirements of PALFINGER products and are herewith confirmed to be used in this machines:

- Hydraulic Oil **TERRAN Outdoor HVLP**
(referring to DIN 51524 part III, HVLP, VG 15, 22, 32, 46, 68)

The installer of our product must select the correct viscosity grade according to our installation guidelines.

This Approval is only valid for the use in Russia and Ukraine due to commercial reasons.

With this approval, PALFINGER does not assume any warranty on the oil itself.

In case of product failures or negative operating result caused by it, warranty claims will not be accepted.
